Honorable Valerie E. Caproni  
United States District Court  
Southern District of New York  
40- Foley Square  
New York, New York 10007

Re: United States v. William Bracy et, al.  
15 Cr. 537 (VEC)

Dear Judge Caproni:

I write pursuant to the Court's Order to inform the Court that Mr. Bracy does intend to contest the Government's position that he actively participated in the killing of Moises Lora. I have conferred with the Government and both sides are available for a *Fatico* hearing on July 19, 2017 or July 20, 2017.

Respectfully submitted,

/s/
